

Difficulty by Binder

In three parts of this puzzle I've applied some advice that was given in response to my previous contribution to Hayley's streams: make it easy (at least for Americans). Together these parts, in a reciprocal manner, reveal a potential description for my previous stream puzzle (but hopefully not this one). Enumerations are withheld, and one-word definitions for modified entries can be found in the corresponding clues.

Across

1. Risk maker owns frat guy
6. Basically all language-y, puzzlehunt-y ingredients, essentially!
7. The Reverend's address starts with a syllable at the beginning of a hymn book
9. Ballistic missile bypassing canal opening in south of France
10. Cuts edges with George the Third, for one
11. Rarely-seen interior in Parisian palace

Down

1. Badger lashes out
2. Prime pieces of ducal land where Jackie Robinson played four sports (abbr.)
3. Doc's peer-reviewed variable skin treatments
4. Rumours of drones
5. Ghost character held back by beam adoption (2 wds)
8. Bring down? Just the opposite, apparently
