

Difficulty by Binder

In three parts of this puzzle I've applied some advice given in response to my previous contribution to Hayley's streams: make it easy (at least for Americans). Using the reverse of that application on those parts (at least for this Australian) reveals a potential description for my previous stream puzzle (but hopefully not this one). Enumerations are withheld, and one-word definitions for modified entries can be found in the corresponding clues.

Across

1. Board game company owns frat guy
6. Basically all language-y, puzzlehunt-y ingredients, essentially!
7. It's heard before 'La La Land's second character chases trailer book ends
9. Ballistic missile bypassing canal opening in south of France
10. Prunes borders with George the Third, for one
11. Rarely-seen interior in Parisian palace

Down

1. Hound lashes out
2. Prime pieces of ducal land where Jackie Robinson played four sports (abbr.)
3. Doc's peer-reviewed variable skin treatments
4. Rumours of drones
5. Ghost character held back by beam adoption (2 wds)
8. Bring down? Just the opposite, apparently
